

Statement of REACH Compliance

This statement acknowledges that Ruland Manufacturing Company's products are compliant to the European Union Regulation (EC) 1907/2006 (the Registration, Evaluation, Authorization, and Restriction of Chemicals or REACH).

Please note that Ruland Manufacturing Company undertook the following two reviews:

1. Ruland Manufacturing Company researched its role and responsibility as defined by REACH.
2. Ruland Manufacturing Company contacted its suppliers and requested that they review their component's raw materials, alloys, and additives against the [REACH SVHC Candidate List](#).

The results of the respective reviews are as follows:

1. Ruland Manufacturing Company's role is that of an article producer with its manufactured products considered as defined under REACH regulation Article 3.
2. Ruland Manufacturing Company received written responses from its suppliers, declaring that none of the listed **241** SVHC substances can be found in their materials.

Based on the aforementioned information, Ruland Manufacturing Company has determined that there is no further action required on our company's part according to REACH on **10/29/2024**.
